

# Scary reptile

## Liquid deterrent for reptiles

**Scary reptile** is a Ready-To-Use liquid deterrent for *reptiles*, such as *snakes*, *lizards* and *geckos*, based on essential oils.

**Scary reptile** does not harm the animals, but forces them to move away, thanks to an unpleasant olfactory barrier.

### How to apply

Before application, clean the area carefully.

Apply uniformly from 30-40 cm away.

If necessary, apply **every 3-4 days**.

In case of rain, apply again.
